Just one of the 30+ agencies we support

AZ Blankets 4 Kids delivers blankets to more than 30 different agencies. Our blankets are given to seriously ill and traumatized kids to keep as their own. Several of our agencies provide blankets to foster kids who often have little they can call their own. Helen's Hope Chest serves about 150 foster children each month. You do make a difference. Thank you all!

Helen's Hope Chest fulfills the dreams of thousands of foster children from throughout the East Valley and beyond by providing them with quality clothing, school supplies, books, gift cards, toys, games, blankets and more at no cost to their foster parents.

Helen's Hope Chest depends on the generosity of people like you to provide this valuable service. Find out how you can help put smiles on the faces of foster children by calling 480-969-5411.

Helen's Hope Chest recently moved to 126 E University Drive in Mesa (northwest corner of University and Pasadena, between Center Street and Mesa Drive).

Super Volunteer - Sandy Howell

Sandy Howell will be spotlighted in the SRP employee newsletter, Here is part of what she said to her employer about her volunteer experience:

How long have you volunteered with AZ Blankets for Kids? *I started volunteering for AZ Blankets for Kids 12 years ago (in 2003).*

What brought you to the organization? *I belonged to a motorcycle club, Goldwing Road Rider's Association Chapter F that wanted to start fundraising for a charity that focused on kids in our local community. We learned that the organization started in 2001 and is run completely through donations by volunteers. There are no paid staff members. 100% of the funds they receive go directly towards creating and distributing blankets to local seriously ill, and traumatized children through hospitals, shelters, police and fire departments and other organizations that serve children at their most vulnerable time.*

This organization fit perfectly into what we were looking for. We organized our first fundraiser, a Chili Cook-Off, to benefit AZ Blankets for Kids. Every year after we did an annual fundraiser with all proceeds raised going to AZ Blankets for Kids. We held outdoor breakfasts, silent auctions, and yard sales.

In 2009 I decided to go to one of the many quilting bees held by AZ Blankets for Kids just to see what they did with the funds we raised for them. Although I knew nothing about quilting and almost no one knew me, I was welcomed with open arms by everyone. Not only were the organizations board members willing to help and teach, but everyone there was helpful. I was so impressed with how friendly everyone was and how organized the process was that I've gone to almost every quilting bee since. I also do some work at home between bees.

When Sandy and her husband Bob were involved with the motorcycle group she speaks of, F-Troop our largest donor for many years and really made AZB4K grow into what it is today. Sandy has also apply for a "Dollar for Doers" through SRP resulting in more contributions to AZB4K.

Sandy has been an inspiration to all of us. Thanks Sandy!

President's Message

Happy Holidays and Welcome to the 2016 Bee Season

Welcome back to all of our winter visitors. Without you we would not have the success that we have.

It has been a wonderfully productive year. New friends, old friends young and old have helped to make this year very productive. "Thank You" to all who helped create wonderful quilts for our children that are hurting emotionally and physically. Sharing your talents, time, and love by making blankets for seriously ill or traumatized children is most rewarding.

Donations big or small collectively make our mission a success. We have been blessed this year with an abundance of donations. During the upcoming months we will be distributing this wealth among you. Thank

you to the groups that responded to our letter of inquiry. Some of you have already received your grant. The rest will be forth coming. Thank you for your dedication.

At years end we made and distributed 7,665 blankets in 2015. This coming year we are looking to see our 100,000th blanket, we are close. Keep the sewing machines going.

There will also be a vintage quilt that will be raffled. The raffle will last the Bee season. See page 4.

See you at the next Bee in January.
Thank you one and all.

"Volunteers are not paid, not because they are worthless but because they are priceless."
