Autumn Blanket Bee at Chandler Police Department

Thanks to a wonderful turnout of enthusiastic volunteers, our Autumn Blanket Bee at the Chandler Police Department on October 16 was a great success! Highlights of the day included arrivals of colorful armloads of finished blankets, guest speaker Linda Thompson, R.N. of Phoenix Children's Hospital N.I.C.U., a quilt raffle, presentations by AZB4K board and committee members, and most importantly the steady hum of sewing machines and busy quilters! A total of 162 blankets were collected or completed at the bee, with 33 volunteers and board members in attendance.

It was our pleasure to welcome Linda Thompson, R.N. of the Phoenix Children's Hospital N.I.C.U. as our guest speaker. She gave a very moving and informative presentation about our tiniest blanket recipients. At any given time, their N.I.C.U. is home to as many as 50 babies, some as small as one pound. October through December is their busiest time; all but two of their spots were filled that day. With pictures and stories to share, Linda explained that when families come in to the N.I.C.U., **"they see wires, tubes and all of the equipment . . . then they see your blankets and it gives them hope."**

Las Palmas Grand quilters donated 70 blankets, bringing their year to date total to 300!

Congratulations to first-time bee attendee and raffle winner D. Kay Reed! A Blanket Bee Raffle was held for a charming red work quilt, pictured below. The nostalgic, hand-embroidered quilt, from a pattern titled, "Children at Play," was donated by AZB4K volunteer Thelma McGaughey. Special thanks to Thelma, the Chandler Police Department

EMMANUEL PINES CAMP

PRESCOTT, AZ

Hello from your camp director, Elliot.

I want to thank everyone who came to our first of many AZB4K quilt camps. You all made the weekend together special. We not only had fun quilting together, we had fun laughing, talking and working together to accomplish something great. Together we completed seven child-sized blankets. We especially had fun making the 47 preemie quilts that seemed to fly through our sewing machines. We also learned a few things together. We learned a new way to tie quilts, how to make a fabric coaster for our coffee mugs in five minutes out of five pieces of fabric scraps, and that we all hate figuring out quilting puzzles.

The staff and facilities at Emmanuel Pines were wonderful, and of course the food was outstanding.

Together the campers took up a collection on our last day at camp and presented a donation to Emmanuel Pines of \$55.00 for their improvement project of buying new furniture.

I had so much fun planning and keeping things moving along at camp. I hope you all will consider giving us feedback to let us know what you thought and what you would like to see next year. Yes, that's right! I said next year. Mark your calendars for August 19th, 2005. I am happy to announce that campers and quilt shop owners Kittie and Natalie at Cutting Edge Quiltworks have offered to sponsor AZB4K Quilt Camp 2005.

Thanks to all,
Elliot

Blanket Guidelines

We have developed the following blanket guidelines based on feedback from our recipient agencies.

Materials

100% cotton fabrics in child-friendly patterns and colors. For knitted or crocheted blankets, please use washable, acrylic yarns. We have had an increasing number of requests for flannel receiving blankets and fleece blankets.

Construction

All blankets should be machine or hand quilted, or tied every four to six inches with a square knot (except Preemies). These blankets are well-used and need to be durable and washable. If tied, agencies request that we use pearl cotton or embroidery thread as opposed to yarn.
Visit our website at www.azblankets4kids.com for pattern ideas or use your own.

If you are using a kit provided by AZ Blankets 4 Kids, please follow the directions provided to en-

Knitted or crocheted blankets should be closely knit to protect small fingers and toes and **no smaller than 36" X 36" in size (not suitable for preemies).**

Sizes

Preemies 16" x 16" to 18"x 18" Blankets must have flannel backing, no batting and minimal quilting. Either stitch from corner to corner in an X or stitch 2" from edges on all four sides. Do not tie. Infant-themed colors and prints are preferred.

Infant 36" x 36" or larger

Toddler 36" x 44" (one yard of fabric)

Child 36" x 44" or larger

Teens 40" x 60" or larger

We often receive requests for more blankets suitable for boys or in gender neutral colors and patterns, especially in the Teen size. Thank you for keeping our teenaged recipients in mind.
