What does it takes to make a blanket?

Hundreds of dedicated volunteers

Yards and yards of fabric.

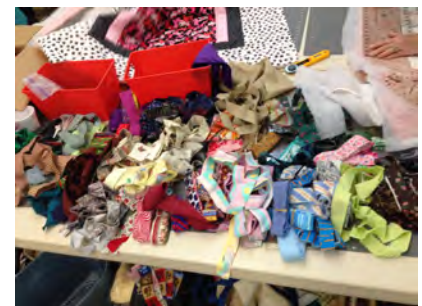

We find all kinds of interesting designs

Quilts in various stages: Kits to sew; Quilts needing to be tied or machine quilted, and Quilts needing binding.

Spending the day outside spraying the quilts with an adhesive to ready them for the quilters and tiers

Miles of fabric cut, folded and pressed into lengths of binding for the finished blanket.

President's Message

Thank you!!!
Thank you!!!
to all who have participated in our Bees and sewing with your own groups or by yourself. Ladies, gentleman, and young people together we surpassed the 90,000

mark this year. That's a lot of blankets.

With every one working together we have sent the message of comfort, caring and love to children hurting emotionally and physically.

Come one come all to a Bee. Fun is had by all. There is always good food, raffle prizes, and giveaways. There is so much to do from cutting, sewing tops, layering, spraying, and quilting (machine quilting or tying) making and sewing binding on down to the completed quilt. All a labor of love.

Winter visitors have a great summer and keep sewing. Your hard work is greatly appreciated. See you in the fall. Our first Bee is October 10, 2015 at the Chandler Police Station.
