

# Dinosaur Quilt - Child Size

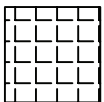

BACKGROUND - Cut  
38 Squares -  $5\frac{1}{2}$ "  
2 Squares for Triangles -  $5\frac{7}{8}$ "

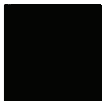

BACKGROUND ACCENT - Cut  
6 Squares -  $5\frac{1}{2}$ "

BODY - Cut  
23 Squares -  $5\frac{1}{2}$ "  
3 Squares for Triangles -  $5\frac{7}{8}$ "

SPINES - Cut  
4 Squares for Triangles -  $5\frac{7}{8}$ "

EYE - Cut  
Approx.  $2\frac{1}{2}$ " Square

BACKING - 42" x 51"

BATTING - 42" x 53"

## Half Square Triangle Blocks Combinations

- Sew together 3 Background Squares with 3 Body Squares (makes 6 blocks)
- Sew together 2 Body Squares with 2 Spine Squares (makes 4 blocks)
- Sew Together 2 Background Squares with 2 Spine Squares (Makes 4 blocks)

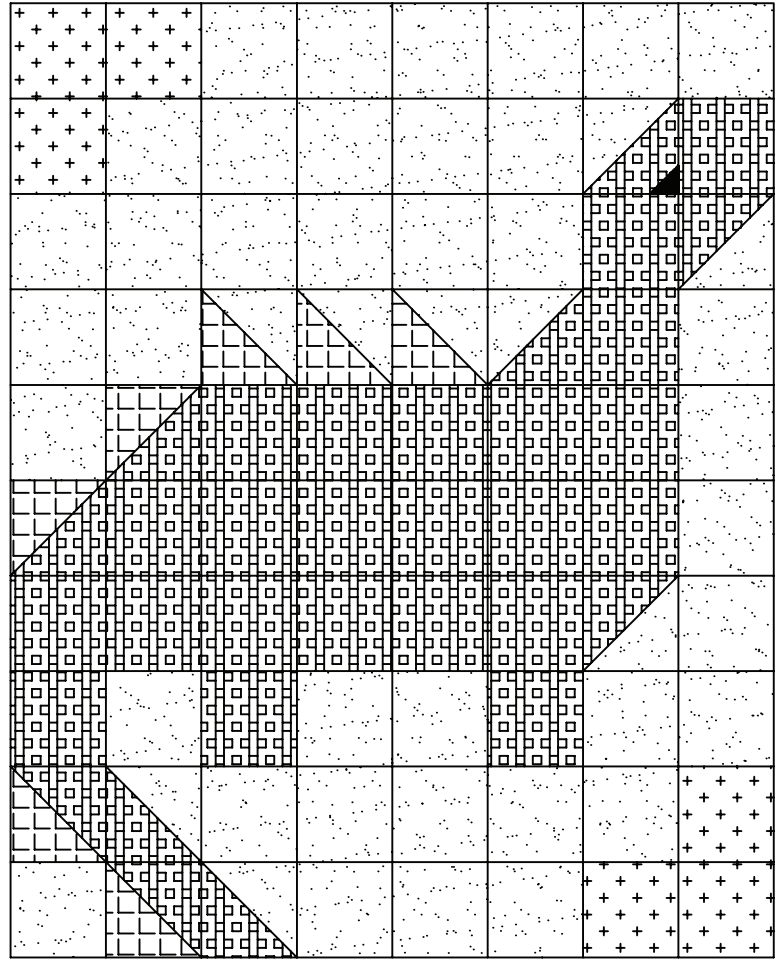

## Half Square Triangle Construction

Draw a diagonal line from one corner to the other on reverse side of lightest fabric. Place two fabric squares right sides together.

Sew a scant  $\frac{1}{4}$ " seam on each side of center line. Cut along center line. This produces 2 blocks.

## Eye Construction

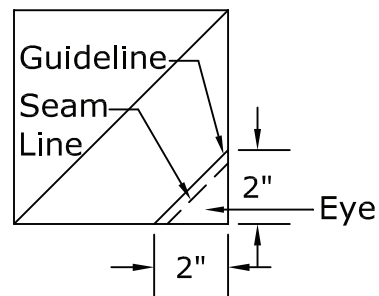

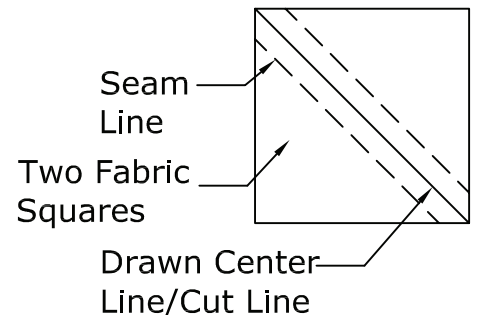

Draw diagonal guideline starting 2" up from sides of body portion of body/background block. Place eye fabric and body fabric right sides together with the bulk of the eye fabric towards center of block. Sew seam  $\frac{1}{4}$ " from guideline on corner side. Trim seam  $\frac{1}{4}$ " and trim sides to square up block.

Finished Quilt Size Is Approximately 40" x 50"

## General Instructions

Sew half square triangle blocks. Sew block with eye. Using a  $\frac{1}{4}$ " seam allowance throughout, sew rows with 8 blocks each. Sew 10 rows together.
