FLEECE BLANKETS WITH A SEWN HEM

These instructions produce a fleece blanket with a sewn hem.

~ ~ PLEASE USE SINGLE THICKNESS OF FLEECE FOR THIS PATTERN ~ ~

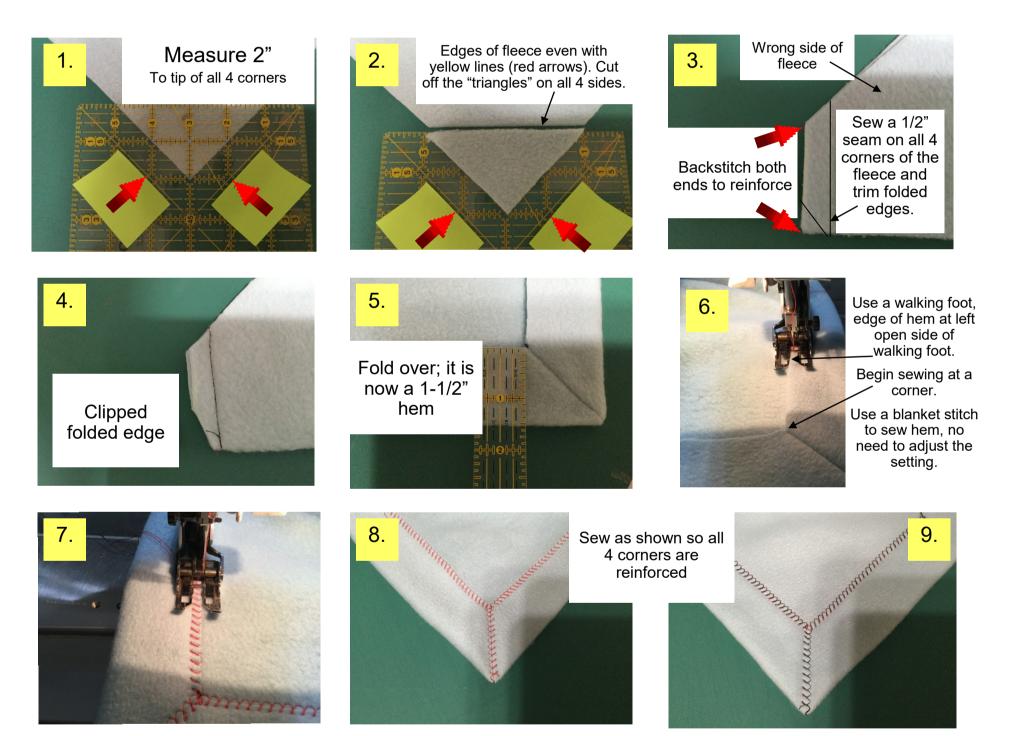

Sizes:

Teen Size: 1³/₄ yards of appropriate fleece design for a Teenager.

Child Size: 1¹/₂ yards of appropriate fleece design for a Child.

Trim all selvages and raw edges so you have smooth, even edges of the fleece before beginning to cut and sew.

Below are the sewing instructions. Tools: 6" <u>square</u> ruler, scissors or rotary cutter and mat. Use the <u>blanket stitch</u> on your sewing machine.

Finished sizes of the fleece blankets will be approximately:

Child size: 50" x 56"

Teen size: 59" x 56"

With a finished $1\frac{1}{2}$ " hem all around.

<u>Tip</u>: for more accuracy, pin the folded $1\frac{1}{2}$ " turns before sewing.
