

## Block Party, Infant to Teen

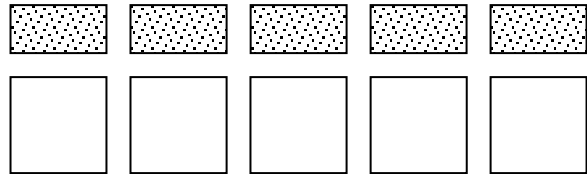

Shown are instructions which will make one segment. Following these instructions for each segment, create the finished size blanket you would like.

Cut 5 –  $4\frac{1}{2}$ " x  $4\frac{1}{2}$ " squares, using a theme fabric or scraps

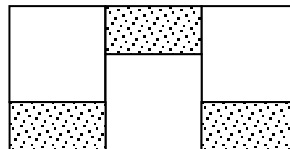

Cut 5 –  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " rectangles, using colors complimentary to the theme squares

Cut 2 –  $6\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangles, using colors complimentary to the theme squares

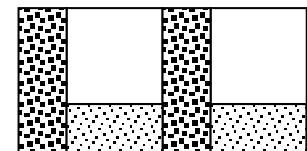

Sew a  $4\frac{1}{2}$ " square to a  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " rectangle as shown. Repeat step for all squares.

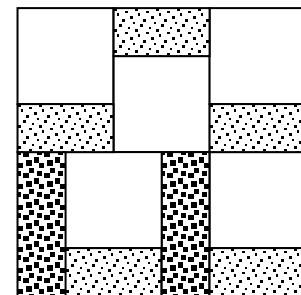

Sew three of these units together, rotating the middle unit as shown.

Sew a  $6\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangle to each of the two remaining units. Sew these two together as shown.

Sew the two pieces together to form a  $12\frac{1}{2}$ " [unfinished] block.

To make an Infant, Toddler, Child or Teen quilt, combine blocks, using AZB4K suggested finished sizes. [Find them on the website or in an AZB4K brochure.] Blanket can be finished using the traditional method, which uses a binding, or the 'envelope' method, which uses no binding. Quilt or tie at least every  $3\frac{1}{2}$  to 4 inches. Quilting in the ditch looks nice and reinforces the blanket. Quilting  $\frac{1}{2}$ " around the outside edges gives a more finished look when using the 'envelope' method.
